Re: **Spill #94-04502  
Sidotti's Garage  
East Greenbush  
Rensselaer County**

Dear Mr. Sidotti:

As we left matters, you were going to copy me on test results. It appears that we had a slight mix-up. Based on these test results and my own observations, the contaminated soils are now completely remediated and may be used for any purpose.

Thank you for your cooperation.

Sincerely yours,

William Blain, P.E.  
Environmental Engineer I  
Region IV
